

New Special Diets Procedure

At Edwards and Ward, we take great pride in our special diets process and continually strive to make it as simple and inclusive as possible to help us ensure that all children can be fed safely and effectively. We are therefore delighted to announce that we have taken our special diets registration form online. This can be found on our website along with a full list of FAQs and contact information for our Special Diets Team.

Please note that registrations are only necessary for children who have dietary requirements due to allergies or medical conditions, or for those who would like to request a vegan menu. Children previously registered with us do not need to be registered again, the form is for new special diets requests only.

Forms should be completed by the parents/carers of the child being registered.

If there are any concerns about this, please contact our Special Diets Team at specialdiets@edwardsandward.co.uk for advice.
